

## CURRICULUM VITAE

### Ross C. Brownson

**Business Address and Phone:** Brown School  
Division of Public Health Sciences and Siteman Cancer  
Center, School of Medicine  
Washington University in St. Louis  
One Brookings Drive, Campus Box 1196  
St. Louis, MO 63130  
Tel. (314) 935-0114  
Email: rbrownson@wustl.edu

**Home Address and Phone:** 6451 Clayton Road, #401  
St. Louis, MO 63117  
Tel. (314) 882-3000

### University Education:

<u>Institution</u>	<u>Degree</u>	<u>Year</u>	<u>Field of Study</u>
University of Montana College of Arts and Sciences Missoula, Montana	B.A. (cum laude)	1979	Cellular Biology/ Chemistry
Colorado State University College of Veterinary Medicine and Biomedical Sciences Fort Collins, Colorado	Ph.D.	1985	Environmental Health/ Epidemiology
Harvard School of Public Health Boston, Massachusetts	--	1998-99	Quantitative Methods

### Honors, Awards (selected):

Freshman year: Colorado Scholar's Award (1976)

Junior year: Wallace Scholarship (1978)

Senior year: Watkins Scholarship in conjunction with Senior Honors Program (top university scholarship) (1979)

Graduate school: NIH Biomedical Research Support Grant; Grant from the American Lung Association of Colorado (1981-1983)

Missouri Arthritis Advisory Board: Distinguished Service Award (1991)

Association of State and Territorial Chronic Disease Program Directors: Outstanding Leadership Award (1994)

Association of State and Territorial Chronic Disease Program Directors: Award for Excellence in Chronic Disease Prevention and Control (1994)

Missouri Public Health Association: Publication Award (1994 and 2002)

Colorado State University Honor Alumnus (1997)

Inducted, Delta Omega, Alpha Delta Chapter (1998)

Visiting Professor, Bohan Lecture, University of Kansas Department of Preventive Medicine (1999)  
 Award for Excellence in Prevention Research and Research Translation in Chronic Disease, 15<sup>th</sup> National  
 Conference on Chronic Disease Prevention and Control, CDC and National Prevention Research Centers  
 Program (2000)  
 Abraham Lilienfeld Award for excellence in teaching and mentoring, American Public Health Association  
 (2003)  
 Visiting Scholar, Faculty of Health Sciences, American University in Beirut (2004)  
 Visiting Scholar, DeHaan Lecture, Emory University (2008)  
 Langmuir Memorial Lecture, CDC Epidemic Intelligence Service (2008)  
 Charles C. Shepard Science Award, the highest CDC award for excellence in science in scientific publication  
 (2009)  
 Outstanding Transdisciplinary Scholar, Washington University Institute for Public Health (2011)  
 The World's Most Influential Minds, Reuters (2015-2021)  
 Award for Excellence, American Public Health Association (2016)  
 Faculty Achievement Award, Founders Day, Washington University (2016)  
 Keynote Speaker and Award Recipient for the 13<sup>th</sup> Annual Michael & Susan Dell Lectureship at The University  
 of Texas Health Science Center (2019)  
 Distinguished Faculty Award, Brown School, Washington University in St. Louis (2023)  
 Honorary Fellow, Society for Public Health Education (2024)

**University Teaching and Related Experience:**

Dates

Faculty and Course Director, Evidence-Based Public Health, Missouri, national, and international versions (5-6 times/annually) (wrote text for course, Oxford Press, 3 <sup>rd</sup> edition)	2000-present
Teaching responsibilities in Epidemiology and Public Health, Saint Louis University School of Public Health, Brown School, School of Medicine, Washington University (wrote text for Applied Epidemiology course, Oxford Press)	1994-present
Faculty & national advisory group, Physical Activity and Public Course, University of South Carolina, Columbia, SC	1997-present
Co-Coordinator, Tobacco Summer Institute course on surveillance & epidemiology, University of North Carolina, Chapel Hill	1995-1997
Assisting in teaching of Principles of Epidemiology (beginning and advanced courses), University of Missouri School of Medicine	1987-1994
Research Assistant, Department of Environmental Health, Colorado State University	1981-1986
Instructor, Applied Epidemiology and Veterinary Medicine Disease Simulation Courses, Colorado State University	1985-1986
PhD thesis: "The Epidemiology of Lung Cancer in Metropolitan Denver," Colorado State University	1985
Teaching Assistant, Applied Epidemiology, Colorado State University	1982
Senior honors thesis: "The Molecular Basis of Evolution," University of Montana	1978-1979

**Professional Experience:**

<u>Position</u>	<u>Dates</u>
Lipstein Distinguished Professor of Public Health, Washington University in St. Louis	2019-present
Co-Lead, Prevention and Control Program, Siteman Cancer Center, Washington University School of Medicine	2019-present
Bernard Becker Professor of Public Health, Washington University in St. Louis	2014-2019
Professor (tenured), Brown School, Department of Surgery (Division of Public Health Sciences) and Siteman Cancer Center, Washington University School of Medicine	2008-present
Co-Director, WHO Collaborating Centre for Evidence-Based Chronic Disease Prevention and Control	2005-2010
Research Member, Siteman Cancer Center at Washington University	1999-present
Professor of Epidemiology (tenured), Department of Community Health, School of Public Health, Saint Louis University	1994-2008
Co-Director, Prevention Research Center in St. Louis	1994-present
Chair, Department of Community Health, School of Public Health Saint Louis University	1994-2006
Director, Division of Epidemiology, School of Public Health, Saint Louis University	1994-2004
Director, Division of Chronic Disease Prevention and Health Promotion, Missouri Department of Health, Columbia	1988-1994
Chief, Bureau of Cancer Epidemiology and Control, Missouri Department of Health	1987-1988
Consultant Epidemiologist, Cancer Epidemiology and Control Program, Missouri Department of Health	1986-1987

#### Current and Past Professional Service (selected)

Commissioner and Workgroup Co-Chair, Lancet Commission on Evidence-based Implementation in Global Health (2022-present)

Member, Advisory Committee to the NIH Director's Working Group on Diversity (2022-present)

Advisor to WHO on implementation science and prevention of non-communicable diseases (2020-present)

Chair, Policy Committee, Prevention Research Centers Program (2019-2023)

Steering Committee, California Breast Cancer Research Program (2018-2022)

Chair, Nominating Committee, American College of Epidemiology (2015-2016)

Member, Publications Board, American Public Health Association (2014-2017)

Chair, Peer Review Study Section, Cancer Prevention & Research Institute of Texas (2014-present)

President, American College of Epidemiology (2013-2014)

Member, Selection Jury, Fries Prize for Public Health (2013-present)

Member, Dissemination and Implementation Research in Health Review Panel, National Institutes of Health (2010-2014); Chair (2011-2014)

Associate Editor and Member, Editorial Board, *Translational Behavioral Medicine* (2010-present)

Member, Subcommittee on Action Steps and Evidence for Healthy People 2020 (2010-2016)

Chair, Policy Committee, American College of Epidemiology (2009-2013)

Fellow and Member, Board of Directors, American College of Epidemiology (2008-2017)

Member, National Commission on Prevention Priorities (2007-present)

Member, Board of Directors, Missouri Institute for Community Health (2007-2012)

Member, Awards Committee, American College of Epidemiology (2007-2010)

Member, Review Panel, Centre for Behavioural Research and Program Evaluation, National Cancer Institute of Canada (2007)

Chair, Steering Committee, Prevention Research Centers National Program (CDC) (2007-2008)

Member, ASPH/Pfizer Public Health Academy of Distinguished Teachers (2007-present)

Member, Editorial Board, *Journal of Public Health Management and Practice* (2007-present)

Member, ASPH/Pfizer Public Health Academy of Distinguished Teachers (2006-present)

Member, Editorial Board, *Journal of Physical Activity and Health* (2006-present)

Section Editor, *Maxcy-Rosenau-Last Public Health & Preventive Medicine* (2006-2012)

Member, Science Council, Blue Cross and Blue Shield of Minnesota's Prevention Minnesota Science Council (2006-2010)

Testimony, US Senate, Committee on Health, Education, Labor, and Pensions (2004)

Member, Institute of Medicine, Food and Nutrition Board, study on "Prevention of Obesity in Children and Youth" and three subsequent studies (2003-2013)

Member, Centers for Disease Control and Prevention, Workgroup in Increasing Core Capacity in Chronic Disease Epidemiology (2003-2012)

Member, Editorial Board, *Preventing Chronic Disease: Public Health Research, Practice, and Policy* (2002-present)

Member, Provost Search Committee, Saint Louis University (2002-2003)

Member, Protocol Review Committee, Trial of Activity for Adolescent Girls, National Institutes of Health, NHLBI (2002-2004)

Member, Scientific Working Group, International Agency for Research on Cancer, Monographs on tobacco smoke and involuntary smoking (2002)

Member, Executive Committee, PhD Program in Health Care Ethics, Saint Louis University (2001-present)

Co-Chair, Collaborative Evaluation Design Team, *Project DEFINE*: evaluating the national program of Prevention Research Centers (2001-2004)

Associate Editor and Editorial Board, *Annual Review of Public Health* (2001-present)

Member, Editorial Board, *American Journal of Preventive Medicine* (2001-present)

Chair, Epidemiology Study Section, California Cancer Review Program (1999-2003)

Member, Editorial Board, *Health Promotion Practice* (1998-present)

Senior Editor, *Tobacco Control* (1997-2000)

Member, Task Force developing the *Guide to Community Preventive Services* and Chair, Physical Activity Chapter Workgroup, sponsored by the Centers for Disease Control and Prevention (1996-2003)

Member, Review Board, *American Journal of Health Behavior* (1996-present)

Consulting Editor for Methods/Statistics, *Tobacco Control* (1995-1996)

Chair, North Campus Institutional Review Board, Saint Louis University (1995-2001)

Member, California Tobacco Control Evaluation Advisory Committee, California Department of Health Services, evaluating the effects of California's Proposition 99 (1994-2004)

Member, Science and Epidemiology Committee, Chronic Disease Program Directors, Association of State and Territorial Health Officials (1993-1996)

Member, Missouri State Cancer Control Advisory Board, convened by the Missouri Department of Health (1993-2003)

Member, Governing Council for Epidemiology, American Public Health Association (1995-1997)

Member, COMPACT and PROPACT public health teaching and research work groups, sponsored by the Saint Louis University School of Public Health and the Missouri Department of Health (1993-1996)

Chair, Local Health Department Work Group, developing a national survey of chronic disease control activities in local health departments, sponsored by the Centers for Disease Control and Prevention and the Public Health Foundation (1993-1997)

Member, Special Review Groups, Division of Cancer Prevention and Control, National Cancer Institute (1988-present)

Member, Missouri Coalition on Smoking and Health (1988-2004)

Member, Board of Directors, Professional Affairs Committee, Public Issues Committees, and Special Projects Task Force, Missouri Division of the American Cancer Society (1987-2006)

Member, Saint Louis University Strategic Planning Committee (1995-1996)

Member, Prevention Centers Grant Review Committee, Centers for Disease Control and Prevention, appointed by the Secretary of Health and Human Services (1993-1995)

Co-Chair, Breast and Cervical Cancer Evaluation Design Project Advisory Group (Surveillance Subcommittee), convened by the Centers for Disease Control and Prevention (1993-1995)

Co-Chair, School Health Task Force, Department of Health sponsored work group evaluating comprehensive school health programs (1993-1994)

Editor, monthly series on public health for the journal of the Missouri State Medical Association (1990-1994)

Member, *Healthy Missourians 2000* Planning and Oversight Committee, involved in setting and monitoring year 2000 health objectives (1990-1994)

Member, Executive Committee, Missouri American Stop Smoking Intervention Study (ASSIST) Coalition (1990-1994)

Member, Executive Committee, Chronic Disease Program Directors, Association of State and Territorial Health Officials (1989-1994)

Overall administration and direction of research activities for the Division of Chronic Disease Prevention and Health Promotion (sub-cabinet level), Missouri Department of Health (1988-1994)

External representation to the Missouri General Assembly, voluntary health agencies, federal agencies, and health care providers (1988-1994)

Chair, State Agency Smoking Policy Task Force, developed smoking control policies for Missouri governmental agencies (1989-1992)

President, Chronic Disease Program Directors, Association of State and Territorial Health Officials (1991-1992)

Chair, Legislative and Policy Committee, Chronic Disease Program Directors, Association of State and Territorial Health Officials (1989-1991)

Chair, Model Standards Work Group for tobacco control that published *Healthy Communities 2000*, sponsored by the American Public Health Association (1990-1991)

Member, Special Review Group, Office of Minority Health, National Institutes of Health (1988-1990)

Sustaining Innovative Tools to Expand Youth-Friendly HIV Self-Testing (S-ITEST)

The study will enhance essential HIV Prevention services and increase our understanding of how to sustain critical HIV prevention services over time in Nigeria. The project draws on the unique strengths of Nigerian youth to develop youth-inspired sustainment strategies and evaluate how to sustain components of the 4 Youth By Youth (4UBY) program for HIV uninfected at-risk youth.
