

ELISABETH ANNE STELSON

Assistant Professor

Washington University in St. Louis School of Public Health

3400 Duncan Ave

St. Louis, MO 63110

stelson@wustl.edu

EDUCATION

2024	Population Health Sciences Field: Social & Behavioral Sciences Major: Social epidemiology Minor: Quantitative methods Minor: Theories of disease distribution and health behaviors	PhD	Harvard University T.H. Chan School of Public Health
2014	Social Work Track: Clinical	MSW	University of Pennsylvania School of Social Policy & Practice
2014	Public Health Track: Generalist	MPH	University of Pennsylvania Perelman School of Medicine
2008	History (Honors)	AB	Brown University

ACADEMIC APPOINTMENTS

2025-	Assistant Professor (tenure track), Washington University in St. Louis School of Public Health
2024-	Affiliated Researcher, Center for Work, Health & Wellbeing, Harvard T.H. Chan School of Public Health
2024-2025	Postdoctoral Research Fellow, Department of Epidemiology, Harvard T.H. Chan School of Public Health

LICENSURE & CERTIFICATIONS

2021	Teaching Certificate, Derek Bok Center for Teaching and Learning, Harvard University
2018	Certificate in Trauma, Graduate School of Social Work and Social Research, Bryn Mawr College
2016-	Certified Domestic Violence Counselor, Commonwealth of Pennsylvania
2014-	Licensed Social Worker (LSW), License no. SW131813, Commonwealth of Pennsylvania
2009-	Certified HIV Counselor, State of Louisiana

HONORS & DISTINCTIONS

2022	Best Poster Award, Interdisciplinary Association for Population Health Science
2014	Fels Fellow, Samuel L. Fels Fund
2013	Perelman School of Medicine Public Health Award, University of Pennsylvania
2012	Perelman School of Medicine Public Health Award, University of Pennsylvania

2011	Dean's Merit Award, School of Social Policy & Practice, University of Pennsylvania
2011	School of Social Policy & Practice Award, University of Pennsylvania
2008	Magna Cum Laude, Brown University
2008	Honorary Member, Pembroke Center for Teaching & Research on Woman, Brown University
2008	Honors in History, Department of History, Brown University
2007	Delta Phi Alpha, Department of German Studies Honor Society, Brown University

RESEARCH & PROFESSIONAL EXPERIENCE

RESEARCH POSITIONS

2022-2024	Research assistant to Drs. Meredith Rosenthal & Emma-Louise Aveling	Dept. of Health Policy & Management	Harvard T.H. Chan School of Public Health
2022-2023	Research assistant to Dr. Anne-Josée Guimond	Lee Kum Sheung Center for Health & Happiness	Harvard T.H. Chan School of Public Health
2021-2024	Graduate Student Affiliate	Center for Population & Development Studies	Harvard University
2018-2024	Graduate Student Researcher	Center for Work, Health & Wellbeing	Harvard T.H. Chan School of Public Health
2017-	Independent Social Service Consultant	Freelance for Courdea Inc., Jefferson University College of Population Health, Children's Hospital of Philadelphia- Homeless Health Initiative	
2017	Research Assistant to Dr. Marizen Ramirez	Dept. of Occupational & Environmental Health	University of Iowa College of Public Health
2014-2015	Senior Research Coordinator	Mixed-Methods Research Lab	University of Pennsylvania
2013-2014	Research Associate	Dept. of Research & Evaluation	Maternity Care Coalition (Philadelphia, PA)
Spring 2014	Research Assistant to Dr. Rosemary Frasso	Center for Public Health Initiatives	University of Pennsylvania Perelman School of Medicine
Spring 2013	Research Assistant to Dr. Karen Glanz	Center for Public Health Initiatives	University of Pennsylvania Perelman School of Medicine

PROFESSIONAL EXPERIENCE

2016-2017	Manager of Community Programs & Evaluation	Lutheran Settlement House- Bilingual Domestic Violence Program (Philadelphia, PA)
2015-2016	IMPACT Program Manager	Penn Center for Community Health Workers- Penn Medicine (Philadelphia, PA)
2014	Emergency Shelter Aftercare Development Coordinator/Fels Fellow	Lutheran Settlement House- Jane Addams Place (Philadelphia, PA)

2013-2014	Psychotherapist MSW Intern	Philadelphia FIGHT- Substance Use Disorder Intensive Outpatient Program (Philadelphia, PA)
2011-2012	Medical Case Manager MSW Intern	Action AIDS (Philadelphia, PA)
2009-2011	Volunteer, Marketing & Outreach Coordinator	The Green Project (New Orleans, LA)
2009-2011	Founder & Community Organizer	The ReUse District (New Orleans, LA)
2009	Volunteer Services & Events Associate	The Aliveness Project (Minneapolis, MN)
2008-2009	Wildland Firefighter Corps Member	AmeriCorps NCCC/ U.S. Forest Service

GRANTS & FUNDING

ACTIVE GRANTS & AWARDS

- 2025-2031 *Supporting and retaining residential addiction treatment providers to improve client care: A cluster-randomized controlled trial of a participatory workplace intervention*
- National Institute on Drug Abuse (R61DA063638-01; \$5,660,045)
 MPI: E. Sabbath, S. Peters
 Role: Co-I in 2-year R61 pilot phase, MPI in 4-year R33 scaled phase
- Trial of a participatory intervention to improve working conditions and career advancement for frontline residential addiction treatment workers in collaboration with Massachusetts Bureau of Substance Addiction Services and Recovery Homes Collaborative.

COMPLETED GRANTS & AWARDS

- 2022-2025 *The development and validation of an index to measure occupational vicarious trauma exposure among substance use providers*
- National Institute on Drug Abuse (NIDA) (R36DA055242-01; \$104,812)
 PI: E. Stelson
 Development and testing of a new measure to estimate occupational vicarious (second-hand) trauma exposure in social service settings, thereby differentiating sources of exposure from workers' symptoms and response.
- 2024-2025 *Harvard University CVD Epidemiology Training Program in Behavior, the Environment, and Global Health (T32)*
- National Heart, Lung, and Blood Institute (5T32HL098048-15)
 PI: Eric Rimm, Goodarz Danaei
 Role: Postdoctoral Research Fellow
 Training, professional development, and salary to support postdoctoral research on the effects of working conditions and vicarious trauma on workers CVD-related health outcomes.
- 2022-2024 *Building the evidence base for patient-centered Long COVID healthcare administration and policy: A mixed methods study of needs, barriers, and opportunities in Rio de Janeiro*
- Lemann Brazil Research Fund, Harvard University (\$149,999)
 PI: M. Rosenthal, Role: Patient Led Research Collaborative (PLRC) researcher/ research assistant
 Community-academic collaboration to identify prevalence and healthcare support for long COVID patients in Brazil and non-hospital based opportunities to support this emergent chronic illness community.

2022-2024	<p><i>The effect of supportive work environments & vicarious trauma on the physical health of hospital workers</i></p> <p>Lee Kum Sheung Center for Health and Happiness Dissertation Award, Harvard School of Public Health (\$2,500) PI: E. Stelson Research on the physical health effects of vicarious trauma and how supportive work environments may buffer these effects as part of dissertation.</p>
2022-2024	<p><i>A multilevel mediation and moderation analysis of the effect of supportive work environments and vicarious trauma on hospital workers' health</i></p> <p>Harvard Center for Population and Development Studies Dissertation Award (\$500) PI: E. Stelson Research on the physical health effects of vicarious trauma and how supportive work environments may buffer these effects as part of dissertation.</p>
2020-2021	<p><i>Substance Use Provider Occupational Wellbeing Study: Identifying Sources of Stress and Resilience Among Frontline Substance Use Workers in Massachusetts</i></p> <p>National Institute for Occupational Safety and Health (NIOSH)- Harvard Education & Research Center Pilot (T42 OH008416; \$14,989.25) PI: E. Stelson Community-based formative research on working conditions and health of addiction treatment workers</p>
2018-2022	<p><i>Harvard University & Dana Farber Cancer Institute Cancer Prevention Fellowship (T32)</i></p> <p>National Cancer Institute (5T32CA057711-27) PI: Karen Emmons, Role: Pre-doctoral Fellow Tuition, living stipend, and professional development to support pre-doctoral cancer prevention research training</p>
2013-2014	<p><i>Reentry and reunification: Investigating the influence of children in the reentry experience of mothers released from short-term jail stay</i></p> <p>University of Pennsylvania, School of Social Policy & Practice Dean's Discretionary Award PI: E. Stelson (\$1,200) Community-based formative research on the maternal-child relationship following release from jail</p>
2013-2014	<p><i>Resources for reentry: Investigating the biopsychosocial needs of mothers of young children released from jail</i></p> <p>Professional Student Research Grant, University of Pennsylvania PI: E. Stelson (\$500) Community-based formative research on the maternal-child relationship following release from jail</p>
2010	<p><i>2nd Line Paint Recycled Program: Proposal to divert volatile organic compounds from New Orleans drinking water and provide affordable paint for post-Katrina rebuilding</i></p> <p>Office of Social Entrepreneurship, State of Louisiana Social Entrepreneurship State Winner (\$10,000) State recipient of state social entrepreneurship funding to develop paint recycling program at The Green Project, an environmental justice program in New Orleans</p>
2007-2008	<p><i>Against the vote: Women and the antisuffrage movement in Illinois, 1880-1920</i></p> <p>Helen Terry MacLeod Research Grant, Pembroke Center for Teaching and Research on Women, Brown University PI: E. Stelson (\$2,000)</p>

Archival research funding to investigate organizing and activism of the *Illinois Association Opposed to the Extension of Suffrage to Women* as connected with the origins of conservative women's political activities

2006

Female maladies: The history of women and mental health

Karen T. Romer Undergraduate Teaching and Research Award, Brown University

MPI: E. Stelson & M.J. Buhle (\$2,000)

Primary and secondary source research to design curriculum for an undergraduate history seminar on the history of women and mental health in the United States
